New ThinkCentre New thinking

- Small Footprint
- No Cable Clutter
- Fast Boot

ThinkCentre A70z: Lenovo's first All-in-One Desktop PC for Business

The new Lenovo ThinkCentre® A70z all-in-one consolidates a traditional desktop and monitor into a single, sleek unit. It saves up to 70% desk space and £££s per year on power bills, keeping it ahead of an industry that's moving towards smaller, power-saving desktops.

The feature-rich A70z comes with the legendary Think quality, service support and ease-of-use, and is ideal for businesses that require PCs that are easy to set up and service, booting straight from the box in under three minutes.

ThinkCentre A70z: Why you should buy...

Space Saving

- Slim Form Factor
- Save 70% space over Desktop/LCD Monitor
- Three mount options with VESA mount
- Wireless Keyboard and Mouse

Convenience

- Box to boot time in just 3 minutes
- Boot up in under 35 seconds
- Easy access to hard drive and memory
- Easy carry handle

Green Eco-Friendly Features

- Energy Star® 5.0 compliant
- Radical eco packaging with re-useable shopping bag
- Cut power consumption costs significantly
